No.C 99 / APTERR Secretariat 2021

14 September 2021

APTERR Council

(Distribution list attached)

Dear Sir/Madam,

Subject: The re-announcement of the recruitment of the General Manager of the APTERR Secretariat

This is with reference to the letter No.C81/APTERR Secretariat dated 23 July 2021 concerning the recruitment of the General Manager (GM) of the APTERR Secretariat, which notified the period of vacancy announcement posted on the APTERR website from 2 August to 13 September 2021 and the request for the APTERR Parties to submit their country representatives to be the Selection Board to the APTERR Secretariat.

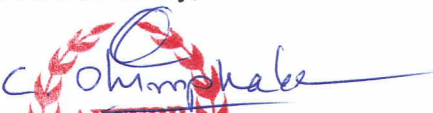

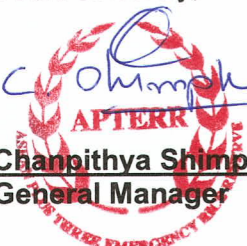

As the applications did not meet the minimum amount for shortlisting, the APTERR Secretariat needs to re-announce the recruitment of the GM of the APTERR Secretariat in conformity with the Guidelines on the APTERR Executive Recruitment Procedures. Therefore, the vacancy announcement will be re-posted on the APTERR website, and the new duration for application is from 15 September to 26 October 2021. In this regard, the APTERR Secretariat would like to request the APTERR Parties to continually support the recruitment by placing URL <https://www.apterr.org/vacancy-announcement> on your promulgation to redirect the applicants to apply for the position via the APTERR website.

Furthermore, kindly nominate your country representative to be the Selection Board to take charge of shortlisting the candidates to be submitted to the Council and submit the name including his/her contact details to the APTERR Secretariat by 26 October 2021. The APTERR Secretariat so far has received only the nomination from the Philippines.

The GM vacancy announcement and the tentative work plan and timeframe for the recruitment of the new APTERR GM have been enclosed herewith for your information. Should there be further queries on this matter, please do not hesitate to contact the APTERR Secretariat.

Thank you for your continued support and kind cooperation.

Yours sincerely,

Champithya Shimphalee
General Manager
